All of Statistics | SpringerLink

All of Statistics A Concise Course in Statistical Inference . by Larry Wasserman . Get the book from Springer or Amazon . Errata (last updated April 3 2013) In pdf (For first printing) In pdf (For second printing) R stuff . Here is a bunch of undocumented R code for the book. I plan to fix it up and document it. Right now, it is very rough.

All of Statistics

joke that I cover all of statistics in this course and hence the title. The course is demanding but I have worked hard to make the material as intuitive as possible so that the material is very understandable despite the fast pace. Rigor and clarity are not synonymous.
