Astonishing X-Men by Joss Whedon & John Cassaday Omnibus ...

Joss Whedon and John Cassaday's critically acclaimed `Astonishing X-Men' run was the spiritual successor to Grant Morrison's New X-Men, so (as Whedon alluded to in an email conversation reprinted at the back of this book) they were always going to have a mammoth task ahead of themselves. However, although this run makes several references to Morrison's stories, and uses mostly the same team from that period, Whedon and Cassady pretty much took this in their own direction.

Astonishing X-Men is the name of four X-Men comic book series from Marvel Comics, the first two of which were limited series. The third volume, an ongoing series, began in 2004, with its first run written by Joss Whedon and art by John Cassaday. It was then written by Warren Ellis with art by Simone Bianchi and Phil Jimenez. Daniel Way and Christos Gage then took over the title writing alternating stories. They were followed by James Asmus who wrote one issue, then Greg Pak, who took over for fo
