Codex Supplement: Imperial Fists. This is a controversial one. CURRENTLY, Black Templars can, with the rules as written, (AND I DON'T CARE WHAT THAT STUPID EMAIL FROM GW CUSTOMER SERVICE SAYS!) use the majority of the content in the Imperial Fists Supplement. Which technically means we have two super doctrines, one in the Devastator doctrine ...

As mentioned earlier, Black Templars are notably non-compliant when it comes to the Codex Astartes. As such, their heraldry is quite unique. Since they eschew the traditional battle company and squad formation of codex chapters, these types of markings are not present on their armor.

The Black Templars - Goonhammer

This Codex was written as a hobby project with the intent to address three main issues with the current Black Templar Codex. With the introduction of the 5thedition Warhammer 40,000 rules, the Black Templar rules were affected in strange ways. The changes I have made here attempt to fix some of the changes for the sake of balance.

BLACK TEMPLARS - bluesfart.com

The Black Templars are a Loyalist Second Founding Space Marine Chapter derived from the Imperial Fists ' gene-seed and their primarch, Rogal Dorn. Their origin can be traced back to the Imperial Fists' defence of Terra during the Horus Heresy.

The Black Templars are THE largest loyalist ("codex following") chapter, estimated to have at least over two thousand marines in their ranks.

Black Templars - 1d4chan

The Black Templars may not have its own faction codex anymore, but we've been given some level of uniqueness from our vanilla Space Marine brethren. Thus, we've become an army of finesse. We don't have the speed that the Blood Angels have, nor do we have the versatility of the Space Wolves. But that doesn't make us bad, quite the opposite in fact.

Why do Black Templars not have their own codex? Warhammer 40,000 It seems odd that for a chapter with such a stress on not following the Codex Astartes, it is slapped in with the rest of the other chapters. The Space Wolves get their own (sensibly), and even the Dark Angels too, even though they generally adhere to the Codex (from what I've read).

Why do Black Templars not have their own codex? : Warhammer

"Few armies exemplify the tenets of Faith & Fury quite like the Black Templars, so their inclusion in this, the second book of Psychic Awakening, is the perfect match! In fact, they have an entire codex supplement's worth of awesome (and zealously violent) rules within its pages, so today, we're taking a quick peek at some of our ...
