A toddler battling cancer was nearly prevented from attending his own birthday celebration after another outburst by lawless, destructive rioters who attacked the charity home where he was staying. Two-year-old Owen Buell has stage 4 neuroblastoma.

Age 2 Cancer Patient Almost Misses Own Birthday Party ...

A two-year-old cancer patient was unable to go home and celebrate his birthday due to the rioting and looting in Chicago that eventually targetted the Ronald McDonald House near Lurie Children's Hospital where he was staying. According to WBBM, Owen Buell, who suffers from Stage 4 neuroblastoma, was slated to head back to his home [...]

CHICAGO: Two Year Old Cancer Patient Misses Birthday Party ...

Cancer Party! is a little bit science, a little bit silly, and a lot straightforward. Without being overly emotional, Cancer Party! addresses the way that cells divide, how they work, and what happens when a cell gets confused and turns into cancer. Written and illustrated by a cancer survivor and mom to a six year-old, this book helps families address the physical impact cancer treatment has on a patient and their child, helps kids understand what to expect, and assures them that cancer isn ...

Cancer free party | Etsy

Pink is an excellent color theme for a breast cancer-free party. Ask your guests, even any men who are invited, to wear something pink, and pass out pink ribbons for guests to pin on their shoulders. You may even want to have pink clip-in hair extensions available. Make the theme as pink as possible.

Reduce your risk of cancer. Host a Detox Your Home party and teach your friends and family how to live a less toxic, healthier and preventative lifestyle. Did you know 90% of cancer is not only lifestyle related, but environmental! And it turns out the home is the most toxic place where we spend the most time!

Host a Trash Cancer Party! | Cancer Schmancer

I went to a "cancer party" and had a great time, even though it was themed with pink. I felt joy and gratitude, catharsis and solidarity. I realized there is a need to party, but I also stand behind my original assertion that we must continue a new dialogue on how to best represent cancer for those of us affected by it, those touched by it and those that can be spared from it.
