thoroughly grasp the subject. Extensive exercises throughout build students' confidence and provide them with hands-on practice in applying techniques.

Introduction to Econometrics / Edition 5 by Christopher ...

Great introduction to econometrics. I have looked at several other entry level textbooks

Access Free Christopher Dougherty

and this one is far better than the rest in terms of clarity and easiness to follow the logic. Honestly, all other textbooks made me struggle.

Dougherty's book helped me get a proper understanding of things.
