In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

Janeway 7th Edition

My criticism of the previous edition was bad editing. It made the book hard to read to the point where some major issues were incomprehensible just because of the writing/editing. That has been fixed. Some books crank out new editions with just a new cover and higher price. The 7th edition is a big step forward.
