Mind Over Medicine Quotes by Lissa Rankin - Goodreads
When Mind Over Medicine was first published, it broke new ground in the fertile region where science and spirituality intersect. Through the process of restoring her own health, Dr. Lissa Rankin discovered that the conventional health care she had been taught to practice was missing something crucial: a recognition of the body's innate ability to self-repair and an appreciation for how we can control these self-healing mechanisms with the power of our own consciousness.
