Pearson Campbell Biology 8th Edition

Description. The best-selling biology textbook in the world just got better! Neil Campbell and Jane Reece's BIOLOGY is the unsurpassed leader in introductory biology. The text's hallmark values—accuracy, currency, and passion for teaching and learning—have made Campbell/Reece the most successful book for students and instructors for seven consecutive editions.

Biology, 8th Edition - Pearson

The art in the Eighth Edition has been revised and updated. For selected figures, a new, more 3-dimensional art style gives students the sense of looking at real biological structures, while avoiding excess detail that can obscure the main point of the figure.
