How can human service professionals promote change? ... The cases in this book are inspired by real situations and are designed to encourage the reader to get low cost and fast access of books.

Porsche 924 And Turbo 1976

The Porsche 924 is a sports car produced by Porsche AG of Germany from 1976 to 1988. A two-door, 2+2 coupé, the 924 was intended to replace the Porsche 914 as the company's entry-level model. Although the water-cooled, front-engined 928 gran turismo was designed first, the 924 was the first road-going Porsche to have a front engine rear wheel drive configuration. It was also the first Porsche to be offered with a fully automatic transmission. The 924 made its public debut in November 1975 ...

Porsche 924 - Wikipedia

Porsche 924 The 924, which was available as of model year 1976, was developed by Porsche on behalf of Volkswagen as the successor to the 914 and eventually produced internally. The new entry-level model was built by Audi in Neckarsulm. Good aerodynamics were a priority when designing the body of the 924.
