Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Quicksilver Throttle Manual

Turn on your boat, with your Quicksilver Commander's throttle in the upright or neutral position. Step 2 Press your throttle's release button on the handle and move the control arm either one position forward or one position rearward, depending on whether you'll be going forward or in reverse. Step 3
