Starbucks. History and Positioning A Coffee Culture STARBUCKS CULTURE. Our Heritage. Every day, we go to work hoping to do two things: share great coffee with our friends and help make the world a little better. It was true when the first Starbucks opened in 1971, and its just as true today. Back then, the company was a single store in Seattles historic Pike Place Market.

We think it's important to take a stand on issues to support our business and because it's who we are and how we operate. That's why we believe we have a responsibility to advocate both internal and public policies that support the health of our business, our partners (employees) and the communities we serve.

Policies | Starbucks Coffee Company

The Starbucks Experience is typically taught to groups of new hires at regional training centers, or in-store in more remote markets. Each store also has a learning coach — another partner who has shown a passion for training and teaching — who guides new hires through the Barista Basics hands-on training program.

Workplace culture could either be a boon or bane for a company's success. When organisations put efforts in turning its visions and values into meaningful culture and infuse it to the workforce, this will result in loyal, highly-engaged, and goal-driven employees. That being said, workplace culture could be a powerful tool to engage and retain talents in the longer term.
