We had a 50% pass rate in our review class, which was not good at all because many used the Sybex book as opposed to the official guide which the instructors used--that is the ISC2 Official Guide 4th Edition. Sybex is a good book maybe as a reference once you are CISSP certified as a reference but it does not prepare you for the exam, despite the claims of 90% or better on all practice exams you are ready to test.
