The Importance of Discourse Markers in English Learning ...

What are Discourse Markers? Well, in order to answer this question we need to remember that we use language to speak our minds. Language is a complex instrument that helps us put our thoughts and ideas through to the world. We need to organise these ideas and thoughts to make them clear and, very often, we do it at the same time as we speak.

The second sentence uses discourse markers to sequence the steps that are going to be presented. Discourse markers are used to express functions of speech and therefore help to organise what is said, while signalling the attitude of the speaker.

Using discourse markers to communicate in IELTS Speaking

Discourse Markers: Definition, Characteristics and Functions. In her influential work on discourse markers Schiffrin operationally defines them as "sequentially dependant elements which bracket units of talk" (1987, p. 31). She suggests that DMs are used in discourse because they provide "contextual coordinates for utterances".

The Use and Functions of Discourse Markers in EFL ...

A discourse marker is a particle (such as oh, like, and you know) that is used to direct or redirect the flow of conversation without adding any significant paraphrasable meaning to the discourse . Also known as DM, discourse particle, discourse connective, pragmatic marker, or pragmatic particle. In most cases, discourse markers are syntactically independent: that is, removing a marker from a sentence still leaves the sentence structure intact.

Definition and Examples of Discourse Markers

Discourse markers (so, right, okay) - English Grammar Today - a reference to written and spoken English grammar and usage - Cambridge Dictionary
