Why Europe Dislikes America

The Public Square By Andrei S

Europeans deride America not so much for what it does but because of what it is—an orientation that often says more about contemporary Europe than about its despised trans-Atlantic rival. Uncouth Nation is lucidly argued and mellifluously written.

Why Europe Dislikes America

The Public Square By Andrei S
Europe Dislikes America ...

Because there is hardly anything that binds individual European countries together, the United States (and to a certain extent the Middle East/Islam as well) has a great role to play. Thus, "Europe," really a vacuum waiting to be filled, can be put in an easy opposition to the United States, in order to define
